

## Watch it!

With the new Holdan TR2450 Wireless Audio/Video Sender you can watch your favourite DVD's, Video's, satellite and Cable programmes anywhere in the house or even the garden without the need to lay any cables whatsoever, you can even use your existing remote control fully with the included IR link.

With an effective transmission range of up to 100 metres, the 2.4GHz signal will penetrate through walls, ceilings and floors etc ensuring superb picture quality and sound no matter where you are. The TR2450 is incredibly versatile as you can use one receiver working with a multi-set of transmitters or one transmitter with a multi-set of receivers to create a system to suit your needs.

The TR2450 is available now for around £79.95 including VAT. For further details and stockists contact Holdan Limited on 0845 130 4445 or visit [www.holdan.co.uk](http://www.holdan.co.uk)
