## Carbon Coder ver 2.0 Timed Trial

Your limited trial of Carbon Coder will be forwarded on return of this form:

Fax: +44 (0) 1457 850 964

E-mail: sales@holdan.co.uk

Telephone: 0845 130 4445

Before installing Carbon Coder on your system, please ensure that you have QuickTime version 7.1 installed on your system. To install Carbon Coder on your system, please click on "Setup.exe".

The hardware dongle that you received must be inserted into a USB 1.1 slot prior to launching Carbon Coder and must remain there during operation. Your trial period is limited to 30 days after first install. Once your trial period has ended, please mail the dongle to us at the address listed at the bottom of this form.

Should you have any questions regarding Carbon Coder, please email tech@holdan.co.uk

Thank you again for your interest in Carbon Coder. We look forward to working with you in the future.
