- Wireless Intercom System
- Wireless Stability
- Flip-to-Mute Microphone
- External Antenna Design
- Dual-Mic ENC
- Transmission Range: 400m / 1312ft
- 10+ hours of Extended Battery Life
- Full-Duplex
- Links up to 9

The Accsoon CoMo is a headset-based full-duplex 1.9GHz wireless intercom system with 1312ft (400m) range, allowing up to 9 users to work and communicate together. With the all-new product design and enhancement from dual-mic ENC, Accsoon CoMo provides over 10+ hours of noise-free communication experience.

Industry-leading Wireless Stability and Ultra Long Transmission Range

Accsoon is bringing its industry-leading wireless stability to its first wireless intercom system.

400m/1312ft

The external antenna design allows the Accsoon CoMo to keep a reliable connection between host and remote headsets and an operating range of up to 400m/1312ft.

Dual-Mic Environment Noise Cancellation for Voice Clarity

Dual-mic is combined with advanced Environment Noise Cancellation (ENC) which detects ambient sounds and reduces it, leaving speech much clearer and more comprehensible.

Ergonomic Design For All-Day Wearing

Accsoon is designed with a wide range of physical adjustment for differing head sizes. Worn on both left and right.

Zero Sound-leakage

Allowing for easy operation and no interruption when shooting in quiet environments.

Links up to 9 (1 Host and 8 Remote)

Accsoon CoMo is so versatile that can link up to 9 users to work and communicate together.
