Explore the Accsoon SeeMo 4K, a breakthrough in monitoring, recording, and streaming. Upgrading to UHD 4K30, it delivers exceptional clarity. With added SD card backup functionality, Accsoon SeeMo 4K is your all-in-one solution. Retaining its power efficiency, it transforms your iOS device into a professional production monitor with the Accsoon SEE app.

Next Level Creation Workflow with an iPhone/iPad

1. Apple Standard Display
2. Be at the Center of an iOS Ecosystem
3. A Faster-than-ever Workflow for Content Creators

Apple Standard Display

iPhone displays have been designed, tested, and manufactured for Apple quality and performance standards. This includes intuitive and responsive Multi-Touch, high brightness, great colour accuracy, high contrast ratio and resolution.

Be at the Center of an iOS Ecosystem

The iPhone and iOS have become a gateway into features like iMessage, and apps like TikTok, Twitter and WhatsApp, making it super easy to share videos from your camera to wherever you want them to be.

A Faster-than-ever Workflow for Content Creators

- Quick Installation
- Quick Recording
- Quick Editing
- Quick Monitoring

Power Your iPhone/iPad

Accsoon SeeMo 4K can supply power to a connected iPhone or iPad for extended operation times.

5V 2.4A

Compatible with both Lightning and USB-C

Easy Live Streaming

- RTMP/SRT Streaming
- Apply LUT in Real-time
- Horizontal & Vertical

Simplify your live stream with Accsoon SeeMo 4K, where convenience meets innovation for a smoother multimedia experience.

SD Card Reader

Bigger storage for file backups
