Stream 4K On-the-Go

With the Accsoon SEE App, users can stream UHD 4K video from their camera to popular video platforms via RTMP and SRT protocols.

4K Resolution for Pristine Video Quality

With UHD 4K30 support, enjoy ultra-high definition streaming on-the-go.

Anywhere Anytime Seamless 4K Streaming

The lightweight and compact design makes it ideal for both studio and on-the-move content creation, ensuring professional-grade results without bulky gear.

Stay Powered Whenever You Are

A single NP-F type battery can power the SeeMo 4K for Android and also be used to power the connected phone or tablet simultaneously.

Your Phone is Now A Professional Monitor
