Features

- Smart desk monitor mount
- Allows flexible use of 5-inch and 7-inch monitors in desktop environments for streaming, switching, conferencing, and game capture.
- Mount Atomos Connect-enabled devices to non-connected production monitors like Sumo 19SE via VESA mounting holes
- Easily adjust height and tilt via foldable arms and friction-based joints
- Redesigned quick-release plate with retractable locating pins.
- Multiple 1/4"20 mounting holes for cable management/accessories
- Heavy-duty and all-aluminium construction

Z-Mount provides unmatched mounting flexibility for 5-inch & 7-inch Atomos monitors or third-party devices that need to be utilized in a variety of different scenarios or mounting positions.

Sleek and durable, crafted from aluminum, Z-Mount boasts a revolutionary design that sets it apart as unparalleled among monitor mounts available in the market.

It utilizes a Quick Release base plate to make attaching and taking off gear a breeze. Its additional 1/4"20 mounting holes can be used to attach accessories like cable management clips from Sprig or as loops for Zip ties. A versatile and compact accessory that seamlessly integrates into any creator's toolkit.
