

ATEN VE8952R

ProdCode: ATENVE8952R

4K HDMI over IP Receiver with PoE

[\[Download Images\]](#) (.zip file)

Features

- 4K HDMI over IP Receiver with PoE
- Extends AV connections from a simple point-to-point to a multi-point to multi-point setup via LAN
- Delivers visually lossless high-quality video up to 4K @ 30 Hz 4:4:4
- Daisy Chaining - Connects multiple displays through a single port
- Video Wall Support

The ATEN VE8952R 4K HDMI over IP Receiver with PoE delivers visually lossless 4K AV signals with low latency over long distance via a standard Gigabit network. It is an effective and easy-to-use solution that directly addresses the challenges system integrators encounter when deploying AV over IP.

- **Limitless Scalability and Flexibility**
From a simple point-to-point setup to hundreds of endpoints, it offers flexibility, scalability and multi-functionality in extender, splitter, matrix switch, and video wall applications.
- **No Complicated IP Setup**

Allows you to effortlessly switch input sources via top panel pushbuttons/ID display and offers simple configuration that requires no extensive IT experience.

- **No Additional Server PCs or Software Required**

Effortlessly manage your AV over IP system by logging in to any receiver from the intuitive web GUI with drag and drop operation.

- **Go Further for Less with Daisy Chaining**

Easily expand your AV network coverage without cable clutter or extra network switches while also lowering per-port costs.

- **Locate Anywhere without the Need for Power Cabling**

With PoE support, you can easily place VE8952R units where they are needed the most without having to install additional power cabling and outlets.

- **Flexible Control with Mobile App**

Manage and control any VE8952R with a dedicated app (VE8950/VE8900 Control App) that allows instant preview, monitoring, and switching of video sources to streamline your operations.

*Note: For more information regarding installation and network switch requirements, please refer to the Implementation Guide :

http://assets.aten.com/product/manual/VE89_Implementation_Guide.pdf

In the box:

- 1x VE8952R 4K HDMI over IP Receiver with PoE
- 1x RS-232 Terminal Block
- 1x Power Adapter
- 4x Foot Pads
- 1x User Instructions
