

## ATEN VM7584K1

**ProdCode: ATENVM7584K1**

4-Port 10G Optical Input Board (4K@300m (K1, MM) / 10km (K2, SM))

[\[Download Images\]](#) (.zip file)

### Features

- 4-Port 10G Optical Input Board (4K@300m (K1, MM) / 10km (K2, SM))
- Compatible with the VM Modular Matrix Switches; mix and match with modular I/O boards of any type for optimum flexibility
- Superior video quality over long-distance transmission – up to 4096 x 2160@60Hz (4:2:0), 300m with VM7584K1/VM8584K1 and multi-mode fiber or 10km with VM7584K2/VM8584K2 and single-mode fiber
- Bi-directional RS-232 channel – allows you to connect to serial terminals or serial devices, such as touch screens and barcode scanners
- Bi-directional IR channel – IR transmission is processed one direction at a time

The VM7584 4-Port 10G Optical Input Board offers an easy way to route 4 HDMI sources to HDMI displays through optical extenders, and up to 16/32 input and 16/32 output connections on an ATEN Modular Matrix Switch through various AV interfaces. Designed with fiber optics technology for long-distance transmission, the VM7584 along with its SFP+ modules extends uncompressed 4K signal up to 300 m (using VM7584K1) or 10 km (using VM7584K2) over duplex fiber optic cables. The optical fiber simplifies cabling by guaranteeing an interference-free long-haul transmission of

audio, video, IR, and RS-232 control signals over one single set of duplex cables that easily connects to the SFP+ slot. Moreover, the VM7584 supports a high data rate of 10.2 Gbps and meets HDMI Specifications that include 3D, Deep Color, and 4K to ensure superior video quality.

The ATEN VM input/output boards are hot-swappable which gives system integrators great flexibility and efficiency for installation and maintenance. The ATEN VM input/output boards along with ATEN Modular Matrix Switches offer ideal solutions that perfectly meet your demands for scalable video-critical applications.

#### **In the box:**

- 1x VM7584 4-Port 10G Optical Input Board
  - 4x SFP+ Modules
  - 4x 3-Pole Terminal Blocks
  - 1x IR Receiver
  - 1x IR Emitter
  - 1x User Instructions
- 

#### **Need Further Support?**

If you have any questions or require additional support regarding this product release, please do not hesitate to contact us. Our team is here to assist you with any inquiries or provide further information or marketing collateral as needed.
