

Blackmagic Design Videohub Master Control Pro

ProdCode: BMDVHUBWMSTRPRO

Spin knob and direct entry control panel for VideoHubs

[\[Download Images\]](#) (.zip file)

Features

- Spin knob and direct entry control panel for VideoHubs
- LCD Status
- Rackmountable
- Powers via DC or the Ethernet connection
- Control any Videohub model
- 24/7 broadcast reliability

When you need to access your whole router without sacrificing speed, then Videohub Master Control Pro lets you scroll your router sources and destinations with the easy to use spin knob control or via direct button entry. You can even see all routes on the beautiful LCD. Powers via DC or the Ethernet connection.

Hardware Control Panels

Add incredible rack mount hardware control panels

For dedicated remote router panels, you can choose between Videohub Smart Control

Pro and Videohub Master Control Pro. Both optional panels connect to your network via Ethernet and can control any Videohub model. Videohub Smart Control Pro is ideal for direct cut bus style routing to monitors or decks, while Videohub Master Control Pro gives you full spin knob control and direct label entry with an LCD display to see your router crosspoint labels. You get perfect integration and 24/7 broadcast reliability with Blackmagic Videohub remote panels.
