

Cartoni Lifo 25 Control Software

ProdCode: CARAPTZ006

Customized control system

[\[Download Images\]](#) (.zip file)

Features

- Customized control system
- Compatible with the dedicated Lifo 25 Control Module
- Operates up to 5 Lifo 25
- Compatible with most of the high end PTZ from Panasonic, Canon and Sony

To bring the Lifo 25 to the next professional stage for automation we have created a customized control system communicating via Ethernet.

The control acts through the Ethernet wiring existing in the Studio, the software is easily loaded in any connected computer with windows OS. Via the new Controller, the Lifo 25 will be connected to the automation system of the PTZ without distance limitation.

The controller is compatible with most of the high end PTZ from Panasonic, Canon and Sony.

Operations can be performed by the PTZ controller (Panasonic, Skaarhoj) itself or

conveyed to a footswitch or any game pad via USB.

Compatible with the dedicated Lifo 25 Control Module. It operates up to 5 Lifo 25
