ProdCode: CARHF1200

Fluid head + camera plate + 1 telescopic pan bar + tie down knob (with flat base fitting)

[\[Download Images\]](#) (.zip file)

Features

- Fluid head + camera plate + 1 telescopic pan bar + tie down knob (with flat base fitting)
- Tilt angle of +/- 90°
- Temperature range is -40°/+60° Celsius
- Sliding camera plate with Euro-style quick release system
- Telescopic orientable pan bar
- Illuminated bubble level
- 100 mm bowl

The Focus 12 fluid head is the ideal support for payloads up to 12 kg (26 lbs).

Light and compact, the Focus 12 features a continuously variable fluid damping system on both pan and tilt movements and an unprecedented patented variable counterbalance.

The Focus 12 is ideally suited for the run-and-gun shooters seeking a premium support for lightweight digital cinema cameras like the ones from Blackmagic Design, Canon,

Sony and others...

The ample versatility, matched to the outstanding Cartoni construction quality, makes the Focus 12 the perfect solution if you are looking for a professional fluid head built to last at a fair price point.

In the box:

- Focus 12
 - Telescopic Pan bar Focus 8-10-12
 - Tie down knob for Fluid Heads 100mm
 - Camera plate Focus 12-18-22
-
