Unlock the power of professional-grade live production with Datavideo's BDL-1601 bundle.

BDL-1601 is a complete production ready bundle with three cameras. The beating heart of this bundle is the HS-1600T Mark II, our MobileCast workstation with built in streaming and recording. Three PTC-145T's are included and are perfect for any small to medium sized production. HC-800 is the carrying solution for this bundle, with room for three cameras, extra space for cables* and the HS-1600T power supply.

Whether you're a content creator, event organizer, or educator, this bundle is your gateway to seamless, captivating live productions.

*Cables are situation specific and therefore not included. Datavideo recommends using high quality CAT6 cables up to 75 meters.

In the box:
