The HC-500 is a heavy duty carry case ideal for protecting your equipment from damage and the elements.

Supplied with "Pick & Pluck" internal foam, this enables easy customization to a variety of products.

Use with TP-500

Hand carrying case designed for the [TP-500](#) teleprompter. The HC-500 is essential for protecting and transporting the TP-500, complete with mountings. The case's design allows the end user to take the TP-500 pre-cut foam out of the original box packaging and fit directly it into the HC-500 carry case.
