The SE-500HD is a small, cost-effective, HD/SD digital video switcher with easy-to-use professional features. It's a compact 4 input HDMI switcher with two HDMI outputs supporting resolutions up to 1080p. It is designed to allow users to input any

camcorder, GoPro, HDMI laptop or tablet and switch the various sources with a push of a button or use of a T-bar.

Don't let the SE-500HD fool you with its affordability and portability. It is loaded with features such as Luma key for graphic overlay, split screen for podcast interviews, and PIP for Powerpoint presentations. For audio, plug in your microphone and other sources directly into the SE-500HD, which is integrated with an audio mixer. The compact size of the SE-500HD makes it the ideal solution for corporate training, education, podcasts, and House of Worship applications.

In the box:

- 1 x SE-500HD
- 1 x AD Switch DC 12V with AC Cord
