The Datavideo SE-650 is a small, cost effective, professional HD digital video switcher.

It offers two HD-SDI and two HDMI inputs that support video formats up-to 1080i.

It features two HDMI outputs and a user assignable HD-SDI output.

The SE-650 is the perfect device for small scale video production using professional cameras and HDMI equipment. The SE-650 also features an audio mixer with microphone and unbalanced RCA audio inputs.

Advanced tools include Chromakey, Luma key, PiP, wipe generator, still store and tally.

In the box:

- 1x SE-650 product
 - 1x AD Switch DC 12V with AC Cord
-
