Prompter Kit for ENG Cameras

[Download Images] (.zip file)

Features

- Simple software and optional [WR-500](#) remote allow users to produce professional results at low cost
- Optional remote can be used wired or wireless
- Special 60/40 Glass allows the presenter to read the script and the camera to see the subject
- Strong and rigid prompter frame fixes securely to any standard tripod quick release plate
- The prompter frame is designed to allow stand alone, in front of camera lens prompting
- The black camera snood/hood is adjustable to adapt for a wide variety of cameras
- Quick and simple assembly that requires no special tooling
- Expandable mounting bracket system allows simple but secure installation of tablet
- An optional remote control is also available (additional purchase)
- Large Expandable Mounting Bracket: to fit upto iPad Pro
- Optional hard carrying case available - [HC-600](#)

Why struggle with expensive re-takes, on stage talent drifting off script or a presenters' loss of eye contact with the viewing audience? The Datavideo Prompter Kit, TP-600, is designed to help you overcome these problems by converting a tablet computer (not supplied) into a low cost and effective prompter.

The Datavideo Prompter Kit TP-650 can be used in either a theatre setting, or a video studio. Prepared scripts or cue sheets can be easily copied and pasted into the DV prompter app software from email and scrolled at a set automatic rate or controlled by a user with the optional wired/wireless [WR-500](#) remote for a more natural result. A number of clear fonts, colours and text sizes are available making reading comfortable from a variety of distances.

Optional hard carrying case available - [HC-600](#).
