

Datavideo VP-929

ProdCode: DATAVP929

4K HDMI Repeater

[\[Download Images\]](#) (.zip file)

Features

- 4K HDMI Repeater
- **Easily extend up to 4K HDMI**
VP-929 is able to easily extend any HDMI signal another 10 meters in up to 4K resolution and up to 15 meters in HD resolution.
- **Powered by HDMI signal or external power supply**
VP-929 can be powered by the 5V signal on the HDMI signal to power the first repeater. Second and further repeaters can be powered by 5V USB power or even a USB powerbank!
- **Secure HDMI cables with regular zip ties**
Easily secure your HDMI cables with regular zip ties using the cable holders on the chassis.
- **Cascade up to 3 VP-929 to create a long HDMI cable**
VP-929 can be cascaded up to 3 times to create a total transmission distance of up to 60m with HD signal.
- **Cost effective way of extending HDMI signals**
VP-929 is one of the most cost-effective ways of extending an HDMI signal. VP-929 is best used in situations where the cable cannot be manipulated, e.g.

over a ceiling or through a wall.
