## YOUR PERFECT SETUP STARTS HERE

The ultimate space-saving standalone solution and all-essential host to a multitude of accessories. Meet Master Mount, the core of your Multi Mount rig.

## HIGHER AND HIGHER

Two sizes, each with a ball head, 1/4-inch screw and padded clamp. For precise height adjustment in setups where maximum stability is key.

## **READY RIGHT OUT OF THE BOX**

Clamp to a desk, mount your device, and set the ideal height. With or without accessories, Master Mount gets your gear off the ground and into your workflow.

## **EVERYTHING IS CONNECTED**

Overhead setups, multiple mounting points, freestanding applications. All Multi Mount components are inter-compatible, so you can customize your configuration on the fly.

### **In the box:**

- Master Mount L
  - Ball Head with 1/4" Screw
  - Desk Clamp
-
