ELEVATE YOUR MICROPHONE

A studio-grade boom arm for your premium microphone. Built to stand tall, look the part, and overcome a wall of obstacles.

FULLY ADJUSTABLE

360-degree arm rotation for maximum flexibility. A ball head for precise microphone positioning. And a padded clamp that fits popular desk designs. Just add your mic and get talking.

THE PERFECT BALANCE

A custom counterweight lets you lock down the center of gravity. So you can rest assured that your microphone won't go anywhere — even when making adjustments.

- **Ball Head**
Set mic position with precision
- **Counterweight**
For mics weighing 250 - 750 g / 0.55 - 1.65 lbs
- **Cable Channels**
