A powerful video mixer engineered for multicam production, Cam Link Pro equips you to capture four video inputs with ultimate ease and flexibility.

Connect cameras, computers, laptops, tablets or any device that outputs a clean HDMI signal.

Stream or record in 4K or 1080p60 Full HD, control video feeds separately in broadcast software and add four cameras to video streaming apps. Picture in Picture, Side by Side, Triple, or Quad — choose your Multiview layout in Elgato 4K Capture Utility and switch layouts on the fly with Elgato [Stream Deck](#). Perfect for live streaming, video conferencing, online teaching and more, Cam Link Pro makes advanced multicam production a breeze.
