With HD60 X, capture PS5 or Xbox gameplay like a pro. Use your favourite broadcast app and create high resolution 4K30 or 1080p60 HDR10 content for audiences on any video platform. Play high-fidelity games as intended with VRR support and up to 4K60 HDR10 passthrough. You can even enjoy high frame rate gameplay such as 1440p120 or 1080p240. HD60 X connects to your console and sends raw video in real time to both your gaming screen and computer, giving you the freedom to stream, record and edit on your terms. No subscriptions. Zero limitations.

CAPTURE LIKE A PRO

Next-gen gaming is here, and it's incredible. You need next-level gear to stream or record all that graphic goodness in the highest quality. Cutting-edge tech to create on your terms. HD60 X awaits.

YOUR CONSOLE'S BEST FRIEND

Compact and streamlined, HD60 X connects seamlessly to any console. Rear HDMI ports keep your setup tidy while the audio input sits up front for easy access. This is what your pro setup looks like.

Plug and play

HD60 X connects to your console and sends raw video to both your gaming screen and streaming PC. Setup is a breeze. HDMI and USB-C cable included.

Powerful passthrough

Play your favourite titles as intended with up to 4K60 HDR10 passthrough. Or enjoy high frame rates when gaming in 1440p120 or 1080p240.

VRR gameplay

Variable Refresh Rate is one of the greatest technologies to hit screens and consoles. HD60 X gets out of your way for next-gen gaming without lag or screen tearing.

YOUR STREAMING ENABLER

HD60 X puts you in control of your stream. Use your own computer setup. Choose broadcast software that works for you. Livestream high-resolution content for audiences on all video platforms.

Stream from any system

Windows? Mac? Laptop? Desktop? No problem. No subscriptions. No limitations. HD60 X ties into your setup perfectly.

Stream with any app

Select HD60 X as a source in apps like OBS, XSplit, Streamlabs, Streamyard, Twitch Studio, Restream and more. Even Zoom or Microsoft Teams. No setup required.

Stream to any platform

Twitch, YouTube, Facebook Gaming, and more. Free yourself from restrictions.

Instant Gameview

Power your workflow with ultra-low latency technology that automatically syncs your broadcast with your gameplay.

YOUR RECORDING POWERHOUSE

Dedicated software for maximum performance. Powerful yet easy to use. Meet 4KCU: custom-built to help you get the most out of HD60 X.

In the box:

- Game Capture HD60 X
- USB 3.0 C-to-A Cable
- HDMI 2.0 Cable
