[\[Download Images\]](#) (.zip file)

## Features

- USB Productivity Controller
- Customize eight shortcut keys to fit your everyday workflows
- Automate repetitive tasks to save time and creative focus
- Control your go-to apps, even when they're in the background
- Drag and drop actions with ease in the free Stream Deck app
- Its beautiful, space-saving design feels at home in any setup
- A dynamic Infobar displays your important info in real time
- Tap between pages like a book to reveal more actions
- Explore thousands of digital assets by community Makers
- Stand it up or lay it flat with three adjustable positions
- Connect and control your other Neo products with a press
- Made and packaged sustainably to reduce plastic waste

Great workflows made easy. Meet Stream Deck Neo, an eight-key controller that makes everyday tasks fast and fun. It automates the little repetitive stuff, such as pasting text or browsing folders, so you can focus on bigger things. Tap to manage Spotify music or mute your mic in Teams, even when apps are running in the

background. Customize your keys with a simple drag-'n-drop, all inside free software for Windows or Mac. It's got an Infobar that shows your most important info in real time, plus two Touch Points to tap between pages of actions. Others will wonder how you do it.

### **In the box:**

- Stream Deck Neo
  - USB-C 2.0 braided cable (90 cm | 35 in)
-
