ProdCode: ELG10GBL9901

Tactile Control Interface with Scissor Keys - Black

[\[Download Images\]](#) (.zip file)

Features

- Workflow Controller with Customizable Macro Keys for OBS, Twitch, Discord, Teams, Photoshop, and More—Windows 10, MacOS 13 or Later
- All-new experience: Premium scissor keys deliver consistent actuation with precise feedback
- Total control: All your apps, platforms, devices, and more—in one place
- One-touch: Trigger actions, post to socials, open files, adjust volume, mute, lights, webcam, and more
- Tactical displays: Use keys to monitor timers, stocks, CPU usage, and more at a glance
- Make it yours: Customize keys with icons and swap out the faceplate
- Make more keys: Create Pages and Profiles with unique key layouts for different apps
- Elgato Marketplace: Get plugins, icon packs, royalty-free music, effects, and more
- Included accessories: Detachable stand and USB-C to USB-C cable
- Stream Deck Advantages: Benefit from regular updates, new plugins, and an active community

Same Stream Deck power, now with a sharper snap. Smooth, fast, and precise, every key press triggers an action no matter where you apply pressure. Control apps, platforms, and devices—your entire setup—in one place. There's no need to navigate menus or memorize keyboard shortcuts. Every command you need is at your fingertips, clearly labeled and ready for instant deployment.

Personalize your Stream Deck with custom icons, screensavers, and a growing range of interchangeable faceplates. Configure keys with ease in the app, and visit Elgato Marketplace for plugins, icons, royalty-free music, effects, and more.
