ProdCode: ELG10GBN9901

Multiport adapter: 2 USB-C Ports/2 USB-A Ports

[\[Download Images\]](#) (.zip file)

Features

- Multiport adapter: 2 USB-C Ports/2 USB-A Ports
- Connect up to four devices from a single USB-C port
- Powers your laptop*, freeing up a USB-C charging port
- Transfer your files at high speed up to 5 Gb/s via USB
- Access your SD or microSD card files with convenience
- Stays hidden to save desk space and reduce cable clutter
- Brings your computer ports within an easy arm's reach
- Assemble fast with just a screwdriver, no drivers needed

*Power supply not included

Short on ports? Now your Stream Deck + doubles as a USB Hub. Around back, connect up to four devices, from peripherals to external drives. It also powers your laptop, freeing the port you'd normally use for charging. Transfer files fast at speeds up to 5 Gb/s via USB-C, or use the convenient SD card reader on its side. USB Hub stows away and hides cables, keeping your workspace clean. Plus, your ports are always within arm's reach, and it assembles in seconds—no drivers needed.

Everything you need to expand and streamline your setup, all from one device.

In the box:

- USB Hub for Stream Deck +
 - USB-C to USB-C cable (100 cm | 39 in)
 - Quick Start Guide
