Professional control surface

[\[Download Images\]](#) (.zip file)

Features

- Professional control surface
- Trigger commands and access tools instantly with 36 macro keys
- Adjust settings and levels with precision using six multifunction dials
- See your most important info in real time on an expanded touch strip
- Customize your controls in the Stream Deck app, free for PC and Mac
- Integrate everything from DAWs and video switchers to creative apps
- Expand your connectivity with optional accessories like Network Dock
- Trigger Multi Actions to automate entire sequences with one press
- Access additional pages of actions with a quick swipe of your finger
- Turn a single dial into many functions with tools like Action Trigger
- Create custom profiles for workflows, projects, and team members

With dozens of customizable controls and real-time info monitoring, Stream Deck + XL lets professionals run entire productions and systems from a single, easy-to-use platform. Integrate everything from DAWs to camera equipment and creative apps with drag-and-drop setup on PC or Mac.

Stay in command—36 macro keys and six multifunction dials streamline your work, while a touch strip display puts critical insights within easy view. Optional accessories expand your connectivity even further, letting Stream Deck + XL work remotely via network or double as a USB hub. It's our biggest Stream Deck yet, built for your biggest workflows.

In the box:

- Stream Deck + XL
 - USB C-to-C cable (150 cm | 59 in)
-
