Features

- Professional Lighting For Streaming, Teams/Zoom/Skype, TikTok/Instagram/FaceTime
- Look professional on YouTube, Teams, Zoom, and more
- No installation, just connect to a USB port on your laptop or dock
- Enjoy ultimate eye comfort with Elgato's iconic edge-lit design
- Turn the dials to adjust brightness and color temperature
- Switch between video lighting and desktop illumination with a press of a button
- Power via USB or outlet (included braided USB cable, adapter not included)
- Mounts seamlessly onto any monitor or laptop screen
- Takes up zero desktop real estate, fits in a laptop bag
- Use the optional app or Stream Deck to control your lighting
- Made and packaged sustainably to reduce plastic waste

Great impressions made easy. Introducing Key Light Neo, a tiny but mighty light that makes you glow with confidence the moment you turn it on. Unlike desktop lamps or ceiling lights, Key Light Neo plays beautifully with webcams. Grainy image? Turn up

the brightness. Color seem off? Dial in the perfect hue for your skin tone. Our iconic edge-lit design eliminates glare, so you can stream or video call for as long as you want. Then switch to desktop lighting when showtime's over. No complicated setup. Just connect Key Light Neo to your laptop, plop it on your monitor, and look pro every time you're online.
