

Epiphan Video EC20 PTZ Camera

ProdCode: EPIESP1899

High-performance PTZ camera built for the Epiphan ecosystem

[\[Download Images\]](#) (.zip file)

Features

- High-performance PTZ camera built for the Epiphan ecosystem
- Communicate seamlessly with Epiphan products
- NDI enabled
- Advanced AI-powered tracking
- Exceptional quality video performance in demanding environments
- Sharp, detailed visuals with broadcast-quality clarity in resolutions up to 4K at 60 fps

Native to the Epiphan ecosystem

Native integration lets EC20 communicate seamlessly with Epiphan products. No workarounds, no gaps. It's optimized for smooth, reliable pro AV performance.

NDI enabled

Eliminate cables, and streamline your workflow with over-the-network NDI video streams.

Advanced AI-powered tracking

EC20 uses best-in-class on-camera intelligence to detect body shape and movement and keeps your subject centered in user defined inclusion-zones.

Pro-grade optics meet Epiphan reliability

EC20 delivers exceptional quality video performance in demanding environments, backed by the same engineering and support that teams trust across the Epiphan lineup.

Get every detail in 4K60

Deliver sharp, detailed visuals with broadcast-quality clarity in resolutions up to 4K at 60 fps.

Flexible for any space

A 60° field of view and 20x zoom strikes the perfect balance for most environments, while precise PTZ control lets you frame the action exactly as needed.
