HuddleCam Room Camera

Enhance your on-the-go or small meeting video conferences with the latest all-in-one conference camera from HuddleCamHD. The HuddleCam Go turns any Mac, PC or Chromium OS computer into a robust video conferencing system, compatible with web-based video conferencing software like Microsoft Teams, Skype, GoToMeeting, WebEX, and Zoom.

Single Cable Simplicity

A single USB 2.0 is all you need to connect video conferencing with crystal clear audio and HD video. The HuddleCam Go will delight users with the perfect combination of compatibility and ease of use.

Set up your HuddleCam GO in less than 3 minutes!

See just how quickly your on the go video conference meetings will start with the HuddleCam Go. With a single cable for connectivity, the set up could not be easier.

Works with Everything!

All you need is a USB 2.0 connection on your computer and the HuddleCam Go instantly turns into your camera, microphone and speaker. By integrating all your audiovisual sources into a single device, the Go can intelligently use echo cancellation and noise suppression with a built-in omnidirectional 360-degree microphone.

Unrivalled Warranties

With robust warranties included standard on every product, you can trust HuddleCamHD solutions to deliver high performance from day one, and for many years to follow.

The HuddleCamHD Go comes with a 3-year limited parts and labour warranty. HuddleCamHD stands by our promise to protect your investment by providing repairs or replacement products for the duration of your warranty.

In the box:

- HuddleCamHD Go
 - USB 2.0 Data Cable (5ft/1.5m)
 - USB 2.0 Extension Cable (6ft/1.8m)
 - User Manual
