Wireless Video Conferencing Camera System

The HuddlePair combines our industry's leading wireless USB speakerphone technology with a wide-angle webcam to create a simple, affordable, wireless, video conferencing solution.

Affordable Video Conferencing System

This webcam and speakerphone pair is ideal for video conferencing and live streaming

with any software application that uses a USB connection for A/V.

Use a single USB 2.0 cable to set up your meeting rooms in a matter of minutes. Our wireless speakerphone can be placed on your meeting room table and the camera easily mounts to any LCD.

Setup could not be easier

Watch this short unboxing and set up video to see just how simple the HuddleCamHD HuddlePair makes it to get going with video conferencing. And this plug-and-play setup requires only one USB 2.0 cable.

Universally Compatible

All HuddleCamHD cameras are designed for plug-and-play compatibility with web-based video conferencing software like Microsoft Teams, Skype, GoToMeeting, WebEX, and Zoom. Enjoy seamless integration even with live streaming applications like Facebook Live.

Unrivaed Warranties

With robust warranties included standard on every product, you can trust HuddleCamHD solutions to deliver high performance from day one, and for many years to follow.

The HuddlePair comes with a 3-year limited parts and labor warranty. HuddleCamHD stands by our promise to protect your investment by providing repairs or replacement products for the duration of your warranty.

In the box:

- HuddlePair Camera
- HuddlePod Speakerphone
- USB 2.0 charging cable
- USB power adapter
- User Manual
