A Wide Angle Webcam Designed for You

The HuddleCamHD® Webcam features a stunning wide-angle 104° field of view. With a USB 2.0 video connection, this webcam is ideal for virtually any meeting software.

Video Conferencing for Everyone

Designed with a wide variety of portable and small-room conferencing setups in mind, the HuddleCamHD Webcam is ideal for video conferencing with any Mac or PC

computer.

Universally Compatible

All HuddleCamHD cameras are designed for plug-and-play compatibility with web-based video conferencing software like Microsoft Teams, Skype, GoToMeeting, WebEX, or Zoom. Enjoy seamless integration even with live streaming applications like Facebook Live.

Unrivalled Warranties

With robust warranties included standard on every product, you can trust HuddleCamHD solutions to deliver high performance from day one, and for many years to follow.

Our webcams come with a 5-year limited parts and labor warranty. HuddleCamHD stands by our promise to protect your investment by providing repairs or replacement products for the duration of your warranty.
