

## Hedbox FIREBAG-L

**ProdCode: HEDFIREBAGL**

Large Size Li-Ion Battery Safe Bag

[\[Download Images\]](#) (.zip file)

### Features

- Large Size Li-Ion Battery Safe Bag
- Designed for use on HEDBOX batteries: NERO-M, NERO-MX, NERO-L, NERO-LX and NERO-XL
- **High-Quality Fibre Materials**  
The high-quality fiberglass material used in HEDBOX FIREBAG-s provides, high-temperature resistance, fireproof and explosion-proof, safety for storage and transportation of the Li-Ion battery packs
- **VELCRO Security**  
A strong closing system made by VELCRO allows fast and safe opening and closing of the FIREBAG-s.  
This provides easy usage and operation on a daily base
- **PROTECTIVE Material layers**  
The inside material layer is made of Flame-retardant fiberglass, high temperature resistant, fireproof and explosion-proof, significantly improving the safety of the bag during explosion. The outside material layer is made of Flame-retardant fiberglass, with high temperature resistance, which provides the safety of the battery during storage

The FIREBAG-L is made of flame-retardant fiberglass material. High temperature resistant, fireproof and explosion-proof, significantly improve the safety of the storage and transportation of the Li-Ion battery pack. Designed for use in safe transport, travel, and storage, it stops and limits any fire caused by accidental battery damage or poor functionality of Li-Ion batteries. It is suitable for Li-Ion battery protection, during D-Tap battery charging. Please note that the FIREBAG-L does not provide complete protection if the Li-Ion battery runs into a thermal runaway.

**In the box:**

- 1x FIREBAG-L
-
