

## Hedbox HED-FZ100H

**ProdCode: HEDFZ100H**

Li-Ion Battery Pack 19.3Wh 2600mAh for Sony

[\[Download Images\]](#) (.zip file)

### Features

- Li-Ion Battery Pack 19.3Wh 2600mAh for Sony
- Super High Capacity
- FZ100 Type Battery Pack
- 2600mAh / 19.2Wh
- **High Quality Li-Ion Cell**

The latest Samsung and LG lithium-ion battery cells are used in Hedbox battery packs. They provide no effect on memory, give high efficiencies, and allow for a compact and lightweight battery

- **No Memory Effect**

Hedbox batteries provide the advantages of lithium-ion, meaning they can be charged or discharged at any time without developing a memory effect. This means the battery never loses its ability to hold a full charge</p>

- **Environmentally-Friendly**

Hedbox batteries are fully in compliance with European Union RoHS (Restriction of Hazardous Substances) regulations and are 100% free of lead, cadmium, and mercury. Hedbox products take part in actively protecting the environment and preserving the highest standards of environmental protection

Compact and lightweight, the HED-FZ100H boasts an impressive 2600mAh capacity, making it an ultra high-capacity info-lithium battery pack ideal for powering Sony Alpha cameras compatible with the NP-FZ100 style battery. Engineered for exceptional performance and professional-grade quality, this battery is specifically tailored for use with the new Sony ILME-FX3 & ILME-FX30 Camera, ensuring reliable power whether in studio settings or out in the field.

### **High Power Capacity 19.2Wh**

With an Ultra-High power capacity of 2600 mAh / 19.2Wh, the HED-FZ100H can power Sony Alphan Cameras and many other units for more than 3.5 hours at full load.

### **Data Communication with Camera**

Using the built in data communication chip, the battery syncs with the Camera to display the exact power percentage on the LCD screen. Battery is fully compatible with new Sony ILME-FX3 & ILME-FX30 Camera.
