ProdCode: HEDHBPNPF

V-lock DV NP-F battery converter power adapter plate

[\[Download Images\] \(.zip file\)](#)

Features

- V-lock DV NP-F battery converter power adapter plate
- **Use standard two 7.2V NP-F style Battery Pack to make V-lock**
Cost Effective solution for Professional Broadcast Camcorders, HBP-NPF allows you to power any V-Mount Professional Broadcast Camcorder with two standard high-capacity L-series or NP-F Batteries. With this solution, you will be able to replace usually high cost Professional V-lock batteries, 14.8V, which are the standard to power all Professional Broadcast Camcorders worldwide. The combined voltage of the two L-series or NP-F Batteries make 14.4V ~ 14.8V, which is the standard output power of a V-Mount battery pack that is used by all professional broadcast camcorders worldwide
- **V-Mount Connection Holder**
HBP-NPF has a standard V-mount connection with a high-quality lightweight aluminum V-wedge to ensure for safe and reliable mounting
- **4-LED Power Monitor Indicator**
HBP-NPF V-Lock battery converter contains a built in 4-LED power meter that, at the press of a button, displays the remaining battery percentage at 100%, 75%, 50%, or 25%.

- **Built-in D-tap Output 14.8V 72W, 6A**

A D-tap DC output socket is equipped on the side of the HBP-NPF battery pack. With this external power supply facility, you can connect an on-camera LED light, video monitor, wireless transmitter or digital recorder, and get simultaneous power with the battery attached to the camera, or separately as an independent power station. The max power from the D-tap is 72W, 6A

The HBP-NPF V-lock DV NP-F battery converter power adapter plate is the right choice for the video and photo professional. The HBP-NPF converts two DV F series 7.2V batteries into a 14.4V V-Mount battery. With an extra D-tap 14.8V/50W DC power output, it can deliver 14.4V 72W/8A to all professional external devices. Upon the press of a button, the built in 4-LED power indicator displays the remaining battery percentage at 100%, 75%, 50%, or 25%.

In the box:

- 1x HBP-NPF BATTERY ADAPER PLATE
 - 1x USER MAUNAL (ENGLISH)
 - 1x 2 YEAR LIMITED MANUFACTURER'S WARRANTY
-
