

Hedbox NERO XL

ProdCode: HEDNEROXL

13A 14.8V 150WH / 10400AH High Load Pro V-Mount Battery Pack with D-Tap and USB Output

[\[Download Images\] \(.zip file\)](#)

Features

- 13A 14.8V 150WH / 10400AH High Load Pro V-Mount Battery Pack with D-Tap and USB Output
- **Built-in Dual Orientation D-Tap and USB Output Socket**
Through its additional integrated Dual orientation D-Tap DC Power output the NERO XL can deliver 14.8V, 148W/10A to all professional devices. The dual orientation function provides D-Tap connector a twofold use. An extra USB power output allows the charging of mobile phones, tablets or other accessories using one single battery
- **V-Mount Connection Holder**
NERO XL has a standard V-mount connection with a high-quality lightweight aluminum V-wedge to ensure safe and reliable mounting
- **4-LED Power Monitor Indicator**
NERO XL contains a built-in 4-LED power meter that, at the press of a button, displays the remaining battery percentage at 100%, 75%, 50%, or 25%
- **High Quality Li-Ion Cell**
The latest Samsung and LG Lithium-ion inner battery cells (model 18650) are

used in Hedbox battery packs. They provide no effect on memory give high efficiencies and allow for a compact and lightweight battery

- **No Memory Effect**

Hedbox batteries provide the advantages of lithium-ion, meaning it can be charged or discharged at any time without developing a memory effect. This means the battery never loses its ability to hold a full charge

- **Multiple Protections**

The circuit in the battery pack has multiple protections: abnormal current protection, voltage protection, short circuit protection and overheating protection. This allows for the battery to have a longer operational life and a safer use for professional purposes

- **Environmentally-Friendly**

Hedbox batteries are fully in compliance with European Union RoHS regulations and are 100% free of Lead, Cadmium and Mercury. Hedbox products take part in actively protecting the environment and preserving the highest standards of environmental protection

The new NERO series of Hedbox stands for High Performance and High Safety Design. The new and revolutionary Cells Framing Construction System provides extra security and stability to the inner battery cells.

Compared to other Battery Brands, this new advanced system not only makes the NERO batteries much safer for daily professional use, but also for transportation.

NERO XL represents the Super High Capacity cine V-lock Battery in the NERO family range. Through it's additional dual orientation D-Tap DC output the NERO S can deliver power to all professional devices. An extra USB power output allows the charging of mobile phones, tablets or other accessories using one single battery.

In the box:

- 1x NERO XL BATTERY PACK
- 1x USER MAUNAL (ENGLISH)
- 1x 1 YEAR LIMITED MANUFACTURER'S WARRANTY
