

Hedbox RPC-D65W

ProdCode: HEDRPCD65W

USB-C LCD Cable

[\[Download Images\]](#) (.zip file)

Features

- USB-C LCD Cable
- Smart Power Display
- Smart Chip Monitor
- Ultimate Durability
- Cable Length: 1.2m / 3.93 ft
- Cable Type: USB-C to USB-C
- Power Delivery 3.0, Qualcomm Quick Charge 5.0 protocol (2.0/3.0/4+)
- Super fast charging 2.0 and PPS 45W/25W

The cable has an LCD display that in real-time show charging power, charging status. Built-in smart chips monitor the charging power and adjust current and voltage automatically, avoiding damage to the battery in case of an unstable current. (Please note display module just show charging power, it neither increases nor decrease charging current)

Smart Chip Monitor - PPS and PD 3.0

Built-in smart chips that monitor the charging power and automatically adjust current and voltage to avoid damaging the battery in unstable current.

Note: The display module only shows the charging power, it does not increase or decrease the charging current.

Ultimate Durability

Based on more than 20,000 strict bending tests, with a special zinc-alloy design and durable nylon braided outer material, the HEDBOX RPC-D65W Power charging cable offers long and durable usage.

Smart Power Display

Visible real-time charging power (In Watt), display charging status and display high-power process.
