

HOYA 52mm HD II Protector

ProdCode: HOY0222

Protector Filter - Hardened optical glass with 16 layer multicoating, anti-reflection & stain resistance - 52mm

[\[Download Images\]](#) (.zip file)

Features

- 16 layer (both sides) anti-reflection coating with superior water & oil repellent characteristics for easy maintenance
- Chemically and thermally hardened extra-clear optical glass that is 4x stronger compared to normal optical glass to achieve excellent protection abilities
- Low profile frame with front thread to attach lens caps or other filters
- Press mount technology to retain glass tightly inside the frame in case of physical impact
- Made in Japan

The New HOYA HD Mk II series features 16 layers of anti-reflective coatings with HOYA's water repellent and stain resistant coatings making filter maintenance easy. The UV & Protector incorporate chemically hardened optical glass which provides excellent lens protection against accidental damage, and the CIR-PL features High light-transparency UV-absorbing polarisation film for faster shutter speeds.

The PROTECTOR filter is designed for constant use and is recommended for shielding

your valuable lenses from expensive front element damage that could be caused by knocks, dirt or scratches.

In the box:

- 52mm HD II Protector
