[\[Download Images\]](#) (.zip file)

Features

- Oryon 18-inch Ring Light with Phone Mount, Remote, and Bag (Version 2)
- 18" Diameter ring light
- 120 Degree beam angle
- Bi-Colour 2700K-5600K
- CRI:97 TLCI:98
- Dimming from 0-100%
- Lightweight heavy-duty plastic construction

The 18" multi-mount ring light kit has just the right amount of illumination to give any subject that sparkle in their eyes. The large diameter opening allows for any size camera to be used with the light. The soft diffused LED's give the ring light a bright but wrapping light that makes your subjects glow. The control knobs on the back of the allow you to quickly switch from brightness to colour with a simple push of the button.

Bi-Colour Adjustable and Dimming Control

Dedicated button controls allow users to change the brightness and dial in the right

colour temperature 2700K – 5600K in any situation.

High CRI & TLCI

The large 18" ring light has a soft wrapping quality and features a high CRI:97 and a high TLCI:98, allowing the user to know what they're getting from the light.

Permanent Diffuser

The 1/2-stop diffuser gives the light a nice soft wrapping quality, which works perfectly with either your DSLR, mirrorless camera, or smartphone!

Remote Control

The included remote control allows you to control the ring light while sitting in front of the camera. The remote can be used to dial in the settings manually or use one of the preset scene with a push of a button.

In the box:

- 1x 18" Carrying Bag
- 1x 18" Ring Light
- 1x Phone Mount
- 1x Power Cord
- 1x Remote Control
