

Kenko 95mm MC PROTECTOR

ProdCode: KENKO2208

Protector Filter - Multi-Coated - 95mm

[\[Download Images\]](#) (.zip file)

Features

- Designed to protect the front element from dust, moisture and scratches
- Slim Frame makes it ideal for use on telephoto lenses
- Multi-Coated Surfaces help to prevent lens flare and ghosting

The Kenko Multicoated Digital Protector Filter is an essential accessory for any lens and is designed to protect the front element from dust, moisture and scratches. Both optical surfaces are multicoated to help prevent flare and ghosting and the slim aluminium filter ring avoids vignetting when used with wide-angle lenses. Supplied in a protective filter pouch

In the box:

- 95mm DIGITAL MC PROTECTOR
- Protective filter pouch
