

Kondor Blue ARRI Pin Anti-Twist Spacer for Mini Quick Release Plate

ProdCode: KONARRIQR

ARRI pin anti-twist spacer for use with Mini Quick Release Plate

[\[Download Images\]](#) (.zip file)

Features

ARRI Pin Anti-Twist Plate for the Mini Quick Release Plate (available separately). This works with any high end camera cages that support threads with ARRI locator pins and will keep your accessories from twisting or unscrewing while on the job.

Add this ARRI-Style Anti-Twist Spacer Plate to your Kondor Blue Mini Quick Release Plate to prevent your accessory from twisting. The thin aluminium plate slides over the thread on the quick release plate, allowing you to attach the assembly to a cage or rig with a compatible ARRI-style accessory connector.

- Dimensions: 5" x 3" x 0.2"
- Weight: 0.3 oz

In the box:

1x Anti-Twist Spacer
