- M6 extends 5.5mm

The KONDOR BLUE Magic Arm Ball Head to ARRI Rosette is another great addition to our Magic Arm accessory lineup. The arm features a 60-tooth standard, ARRI style steel rosette. The integrated stainless steel M6 bolt makes attaching the ball head to accessories fast and secure. For even more torque, use a hex tool to further leverage the bolt through the tightening holes. This ball head is a must-have to round out your magic arm lineup.
