Use this 2.1 mm DC coiled cable to power a monitor, light, or other accessories with a locking dc barrel. One end of the coiled cable features a 5.5 x 2.1mm DC barrel straight angle connector, and the other end features a DC 5.5 x 2.1mm right-angle connector. The coiled cable can extend from 16" to 32" in length and locks via the

screw connection to compatible accessories to prevent accidental disconnection. It has reinforced connectors and durable nylon braiding.
