- Solutions from Aputure, Amaran, Decimator, Quas

Use this D-Tap to 2.5mm DC charging cable to power monitors, lights, or other accessories with an external D-Tap battery. This cable features a 5.5 x 2.5mm DC barrel right-angle connector on one end and a male D-Tap right-angle connector on the other. This 2.5mm DC charging cable can extend from 18" in length and locks via the screw connection to compatible accessories, preventing accidental disconnection.
