- Includes screws and mounting kit
- Vented bottom panel for passive cooling
- Sleek matte black finish matches pro rack gear
- Dimensions: 1U x 19" x 3" deep

Scale your fiber workflow with precision and elegance.

This custom-designed 1U rack shelf is purpose-built to hold up to 9 Fletch RX receiver units, offering the perfect infrastructure solution for OB trucks, broadcast control rooms, flypacks, and multi-cam video village setups.

Built for Broadcast-Grade Integration

No more velcro, gaffer tape, or loose modules cluttering your rack. Our precision-fit tray locks your Fletch RX units into place—making multi-camera HDMI-to-fiber deployment clean, secure, and professional.

Ideal For:

- OB truck multicam configurations
- Video village and playback racks
- Permanent studio installs
- Flypacks and field-ready systems
- Rentals and mobile production kits

Pair It With:

- Fletch RX Fiber Receiver Units
- OM3 MPO Fletch Armored Fiber Cable
- KONDOR BLUE USB-C PD Power Cables

Professional-grade integration for your Fletch ecosystem.
Keep your rack clean, your signal chain reliable, and your crew happy.
