Features

This 15mm rod handle is a simple alternative to our Quick-Release Handles. The grip is made of rubber for a comfortable grip and temperature control. The rubber handle features a high-relief texture for a non-slip hand grip.

The Hand Grip can mount to all standard 15mm Rod Systems. The included M4 ratcheting attachment knob makes it easy to securely attach the clamp to the end of any 15mm rod. Once tightened, adjust the knob angle to your desired position.

The 15mm clamp allows you to get creative with tons of use cases from customizing your shoulder rig to building out a director's monitor. The possibilities are endless.

- Fits all standard 15mm Rod Systems
- Textured Black Rubber Grip
- Dimensions: 120 gm/4.25 oz
