

Kondor Blue USB-C Elbow Adapter

ProdCode: KONKBTSRAA

USB-C 40Gbps Elbow Adapter for Power & Data

[\[Download Images\]](#) (.zip file)

Features

- USB-C 40Gbps Elbow Adapter for Power & Data
- **40Gbps Super-Speed Transfer**
Enjoy ultra-fast data transfers with cutting-edge USB 4.0 technology, ensuring seamless file sharing, high-res video streaming, and lightning-quick backups
- **Right-Angle Design**
The elbow shape on this USB-C adapter allows for a flexible, low-profile connection, ideal for tight spaces or when you need to route cables neatly along the edges of your desk or device
- **Universal Compatibility**
Designed for our Stalman Clamp but works seamlessly with a wide range of USB-C devices, including laptops, smartphones, external drives, docking stations, and more
- **Durable & Reliable**
Built with premium materials for a sturdy and long-lasting connection, this adapter is designed to withstand heavy daily use
- **Compact & Portable**
Small, lightweight, and travel-friendly, the elbow adapter fits easily in your bag

or laptop case, so you can take it on the go without hassle

Maximize your connectivity with the USB-C 40Gbps Elbow Adapter, designed to provide PD power, lightning-fast data transfer speeds, and an ultra-compact, space-efficient form factor. Perfect for anyone needing to optimize their setup, this innovative low-profile adapter combines the power of USB 4.0 with the convenience of a right-angle design, ensuring minimal cable strain and tidy cable routing.
