Made in collaboration with YouTuber Armando Ferreira (Mondobytes), Mondo Ties are a simple, yet effective way to manage the mess of cables on your camera rig. Each Mondo Tie comes pre-loaded with a mini 1/4 20 that can be attached anywhere on your rig. The wings of the Mondo Tie are uniquely designed to set the cables between and then twist the cables 90 degrees clockwise to “lock” in place.

Mondo Ties can hold 2-3 cables at a time. They're available in black, red, and blue to bring extra life and highlights to your rig. Sold in 5 or 10 packs, they also come with a mini EVA signature case.
