Made in collaboration with YouTuber Armando Ferreira (Mondobytes), MondoTies are simple and effective cable management hooks for your camera rig. Each MondoTie comes pre-loaded with a mini 3/8-16 screw that can be attached anywhere on your rig. The wings of the MondoTies are uniquely designed for you to set the cables between and then twist the cables 90 degrees clockwise to “lock” them in place.

These camera cable management hooks can hold 3-6 cables at a time. They're available in Kondor Blue, Raven Black, Cardinal Red, and for a limited time, Phoenix Orange! Sold in 4 packs, they also come with a mini-EVA signature case.
