Still Lens Thread-On Adapters - 95mm-67mm

[\[Download Images\]](#) (.zip file)

Features

- Still Lens Thread-On Adapters
- Machined from aluminum
- Bearing groove catches inside the 95mm Lens Clamp Back
- Filter thread on the inside for attaching your favorite circular filter
- 95mm-82mm: 25g/0.9 oz
- 95mm-77mm: 28g/1.0 oz
- 95mm-72mm: 31g/1.1 oz
- 95mm-67mm: 31g/1.1 oz

The KONDOR BLUE Still Lens Thread-On Adapters come in four sizes to work with the most popular still lenses on the market:

- 95mm-82mm
- 95mm-77mm
- 95mm-72mm
- 95mm-67mm

The Still Lens Thread-On Adapters screw on to the inner diameter of your stills lens for a secure mount. Machined cutouts are used to reduce weight. The front of the adapter features female threads for attaching circular filters. The depth has been designed to accommodate most circular filters to be able to work in conjunction with the drop-in 4x5 filter trays. This allows for a “bonus” filter to be used keeping your matte box setup as light as possible.

A bearing groove around the outside of the adapter catches inside the 95mm Lens Clamp Back and acts as a safety catch for your KONDOR BLUE Matte Box. Each adapter is sold individually so you can pick exactly what you need for your lens kit.
