**ProdCode: KONULSK15BK**

Universal Lens Support Kit for LWS 15mm Rods - Raven Black

[\[Download Images\]](#) (.zip file)

## Features

- Universal Lens Support Kit for LWS 15mm Rods
- Single-sided rail block
- Base Extension Rod (13.5mm travel)
- Wheeled Lens Support
- V Lens Support
- 3mm mount - 15mm extension
- ¼" 20 mount - 15mm extension
- 1/8" 16 mount - 15mm extension

This universal 15mm rod lens support system is designed to cover your bases no matter the lens size or type. The included Extensions make it easy to adapt to various lens mounting styles or even to support matte boxes.

The Extensions have holes that allow users to tighten parts securely to the Base Extension Rod.

The Wheeled Lens Support is intended for lenses that do not have room for the V Lens

Support and can rest on areas of the lens that still require rotation.

The single-sided rail block allows users to mount or remove support without having to remove other accessories that are mounted along with their rig.
