From the Lines cable connectivity concept developed by Lindy, Anthra Line USB 2.0 Type A to Mini-B cables are the professional choice for high performance connections in commercial AV and IT installations.

Anthra Line USB 2.0 cables are premium connections that feature double shielded construction with copper conductors for performance and corrosion resistance. High quality gold plated contacts and nickel connectors maintain optimal signal integrity and maximum reliability.

Data transfer speeds up to 480Mbps are supported for the quick and effortless transfer of large data volumes.

Anthra Line USB 2.0 Type A to Mini-B cables are available in lengths from 0.2m to 5m.
